CALL TO ORDER: The meeting started at approximately 10:38 a.m.

Ginny Munroe recorded the meeting.

Board Member Pete Cleveland explained that the purpose of the meeting was to review the documents for the notice to bidders, including the Bid Form. He said that if there were questions, he would be happy to answer them. Mr. William Kuhl had a few questions for Pete regarding the authorization of the Board to include requirements in the bidding process. Pete explained the process and why the District had the authority to sell the land with restrictions on it. Pete also went through the documents while sharing them on the screen to show those on the call key aspects of the documents. After a discussion between Mr. Kuhl and Pete about Mr. Kuhl's questions, Pete offered to email the documents he was reviewing in the meeting to Mr. Kuhl. Mr. Kuhl provided an email address that Pete could use.

Ginny Munroe informed Pete that she had received an email from another person and would pass on that information for him to email that person as well.

Ginny Munroe asked if the other caller online would like to unmute themselves to ask any questions. The caller did not unmute. After waiting a few minutes, Ginny asked the caller again if they wished to speak. Again, there was no answer. Pete and Ginny then closed the meeting.
